

CITY OF MIAMI BEACH CODE OF ORDINANCES

Sec. 14-107. - Owners shall obtain numbers; size; city not to furnish material.

(a) All owners of houses and buildings within the city shall obtain the correct numbers of their respective houses or buildings from the public works director, for which there shall be no fee charged, and cause such numbers to be placed on their houses or buildings as provided in this section. Such numbers shall not be less than four inches in height.

(1) All owners of houses and buildings within the city shall prominently display the correct numerical address on the front of their structure facing the street and shall use either light-reflective material or shall conspicuously illuminate the numbers by electrical lighting so that the numbers are clearly visible from the street during both daylight or nighttime hours.

(2) All owners of houses and buildings within the city having access to an alley shall cause the correct street number of the structure to be placed on any side of the structure facing the alley.

(b) The numbers required by subsection (a)(1), (2) of this section shall be installed as required by this section in the manner prescribed within ten days after completion of any new house or building.

(c) This section shall not be construed to require the city to furnish the material out of which the numbers shall be made.
